Please see reverse for time table details for this field trip.

Parents: Field trips are an important facet of the children's education experience. No field trips can take place without parental involvement for safe supervision during their off site activity. Therefore we will need a minimum of 1:4 Adult to child ratio for any field trip taken. More parents are welcome, but we need your support for any field trips to take place. No child will be allowed to attend without written consent from the parent or guardian.

Thank you.....
